

TxGIS Day for High School

Tuesday, November 16th, 2021

JOIN US!

Ready to broaden student horizons and introduce them to an exciting STEM field?

Connect with GeoSpatial Pros who are ready to share their projects, experience, and love of GeoSpatial technologies.

Register to attend one of the many events offered during the TxGIS Day 2021 event starting Monday, November 15th to Wednesday, November 17th between 9AM and 4PM CT. **Tuesday, November 16th will focus on High School Student and Teacher Activities!**

Visit TxGISDay.org and browse our amazing event from 2020. Updates to our 2021 Events will be coming soon. Then you can create an account and register for sessions!
